SUBJECT: INITIAL APPROVAL OF AN APPROVED MAINTENANCE ORGANISATION (AMO)

Mr. Zenko,

We completed the evaluation of the documents you submitted, the verification of your facilities and the inspection of your processes and systems in the framework of your request for approval as an Approved Maintenance Organization (AMO).

The results of our evaluation indicate that your company meets the requirements for issuing an Approved Maintenance Organization (AMO) certificate as set out in Part V, Sub-Part 73 of the *Canadian Aviation Regulations* (CAR).

As such, Transport Canada is issuing the following "*Canadian Aviation Documents*" in both official languages:

- Approved Maintenance Organization (AMO) certificate no. 25-21
- Register of Limitations

Please note that all organizational changes (to the management personnel, facilities, equipment, policies, procedures or other) that affect the Maintenance Policy Manual (MPM) currently in effect must first be submitted to Transport Canada for approval prior to their implementation.

We would like to remind you that a certificate of approval is not transferable and remains valid until the indicated expiry date or until it is returned, suspended or cancelled.

With Regards,
