

Employee – Export Control Agreement

I understand that I may receive or be made aware of certain information from FACC, the receipt and/or knowledge of may constitute an 'export of technology' from the European Union (EU) as well as the United States of America (U.S).

This is dual-use technology or technology for the manufacture of arms.

In regard to the implementation & handling of EU¹ and U.S. Export Control laws (Export Administration Regulations (EAR)² and International Traffic in Arms Regulations (ITAR)³; the information in respect of the FACC Quality Specification (FQS) and the detailed FACC Quality Instructions (FQI) on Export Controls is readily available in SAP

I understand that the Company and/or I can be financially penalised or imprisoned, if I knowingly violate the provisions of these laws.

I hereby certify that any information, related to technical subject of Export Control Regulations will not be further disclosed, exported, or transferred in any manner to any foreign person or country without prior written approval of either the Federal Ministry Digital and Economic Affairs, or Bureau of Industry and Security (BIS) U.S. Department of Commerce.
